

IDIV

F 98

Constitution	dispersion of matting agent
Appearance	cream colour paste
pH	8-9
Character	anionic
Active substance	30% app.

Method of use

F 98 is a casein binder with some matting properties usable as auxiliary in resin finish.

F 98 has a good matting action without giving any whitening. Quantity to be used is in the range of 50-150 grs/kg of solution.

F 98 can be used also as a plating release agent in the resin finish because it avoids any stickness effect.
