

IDIV

IDOIL CP/10

Constitution	synthetic fatliquor
Active substance	100%
Appearance	clear liquid

Method of use

IDOIL CP/10 is a fatliquor insoluble in water with good fastness to solvent and alkaline substances. It improves remarkably the mechanical resistance of the grain especially in veg leather.

It can be used alone or in combination with other fatliquors of **IDIV's** range. Quantity used is usually 1% on the shaved weight.

Thanks to its characteristics, **IDOIL CP/10** can be used also as fatliquor for washable garment.

IDOIL CP/10 has a very good fastness to the light.

edition 07/2001
