

IDIV

IDOIL DS

Appearance	viscous brownish liquid
Constitution	based on natural oils mixed with sulfated fish oils
Active substance	68% app.
Character	ionic
pH	7,5 in water solution 1:10

Method of use

IDOIL DS is a fatliqor that confers the leather fullness and a greasy touch.

IDOIL DS is especially used in the articles called "*vacchetta*" and therefore is particularly suitable in the veg or high re-tanned veg articles.

IDOIL DS is not light fast and its emulsion is stable starting from pH 4.0.

edition 11/2003
