

IDIV

UR 14

Appearance	white liquid
Constitution	aliphatic polyurethane
Active substance	16% app.
Reaction	non ionic

Method of use

UR 14 is a soft polyurethane with good fastness to solvent. Thanks to its adhesion properties and good general resistances it is particularly suitable for ground coat of soft leather.

UR 14 is compatible with all the chemicals of **IDIV's** finishing line and can be diluted in water in every ratio. A solution with **UR 14**, **BI 001** and **AR 15** is suggested as a very effective base coat also for garment nappa.

edition 07/2001
