

IDIV

UR 26/B

Constitution	polyurethane binder
Appearance	off white matt viscous liquid
pH	8.0-8.5
Character	anionic
Active substance	32% app.

Method of use

UR 26/B is particularly suitable for grounds thanks to its very good covering power. It has excellent mechanical characteristics especially the flexibility and therefore **UR 26/B** can be used also in the grounds for patent leather. Very good are also the dry/wet rub fastness and light fastness.

The film of **UR 26/B** is absolutely not sticky and therefore it makes easier the plate operation and it has a good spreading.
