

IDIV

WX 32

Appearance	off white viscous liquid
Constitution	synthetic wax
Active substance	19-20%
Character	cationic
pH	4.5-6.5

Method of use

WX 32 is a multipurpose cationic filler.

It can be used either in the polishable grounds to get fullness and improvement in the low grade skins or in the final coats where **WX 32** confers a warm and particular touch.

WX 32 can be used also in the suede or nubuck everytime a silky touch is requested.

edition 11/2003
